Dear Andrew.

I write on behalf of the Sandringham College School Council to thank you for all your help with our recent upgrade to LED lighting across the College.

Your input and advice was appreciated during the walkthroughs and consultation phase. We were particularly impressed with the extra effort you put in to ensure that the materials arrived on time and the work was completed during the school holiday period, therefore minimising disruption to both staff and students.

We would have no hesitation in recommending your service to other schools who may be considering upgrading to LED lighting.

Yours sincerely

Andrew Barlow
